## OLD BUSINESS

- A) NYU Nursing  
Ayana gave us small report on NYU Nursing . May be months and months before she hears anything but will stay on top of it. Stay tuned
- B) Share-A-Day.  
Word is out. Would be great to have a flyer for this to drum up support. February is the aim date . Grass root verbal effort. Rob mentions that someone had expressed some interest and he could be in touch with them. Any motion to retract the requirement that person running Share –A-Day be present at Intergroup? Paul suggests they submit a statement as to why they want to be chair of Share-A-Day.

Motion : In lieu of attending the meeting, person interested can submit a brief statement regarding their interest.

Motion carries

- C) Another Delegate for ABM  
Collection for 3 people to go to ABM. Brian and Mark to go back to their meetings and ask for a 2<sup>nd</sup> collection. Tabled to December.
- D) Google Groups  
Any ideas? We are on a view only basis with google groups now. Status quo....keep using it for now but Paul will look for other options. See if anything looks fabulous.
- E) Need another female to respond to the voicemails.  
Do we want to farm this out? Nancy suggested dividing it up. Rob and Paul made some suggestions. Who in this room right now is willing to be available to answer these calls? Kara steps down for being one of the recipients. Tom points out that we are getting away from the female issue. Now we have no females responding to the voicemails. Wants a sobriety requirement.

Motion: The requirement be six months of consistent sobriety, and they currently have a sponsor and that they have been in the program for at least a year. No second to the motion.

Nancy volunteers to be the female responding to voice mails.

- F) Learning Channel  
We have been contacted by the Learning Channel....Bill, a producer wants to do a show on Sex Addiction and is offering 1000 dollars.. Group thinks this would violate many traditions.
