Group Contributions to Greater NY Area Intergroup

What exactly does GNYI do?
The Greater New York Intergroup of SLAA performs a number of functions that help get the word out to sex and love addicts about our fellowship, and provides crucial tools to those already in it. Among other things, GNYI 1) Creates and maintains a website with a list of all meetings, as well as other documents, such as questions for self-diagnosis; 2) Creates and maintains a Meeting List with all current meetings, Steps, Traditions, opening preamble, and other elements essential for those in program and those interested in it; 3) Funds and helps organize New York-area SLAA events such as Share-a-Day and Step Workshops; 4) Sends and pays for individuals to attend the Fellowship-wide Annual Business Meeting for SLAA's global fellowship; 5) Listens to needs of people in recovery and individual meetings and, where appropriate, according to the Fourth Tradition, provides resources, suggestions, and guidance to help them function effectively; 6) Serves to create a broader community, so that individuals in disparate meetings may be in touch with their fellows in other local-area meetings.

What is a suggested GNYI contribution plan?
After regular expenses for individual groups are met each month (rent, literature and prudent reserve funds) it is suggested that 60% of remaining amounts be contributed to GNYI and 40% given directly to FWS (Fellowship Wide Services). Please note, GNYI also makes contributions to FWS.

What forms of payment does GNYI accept?
